

FILM FESTIVAL

WHO WE ARE

Watersprite is an international competition for student shorts.

We discover and champion emerging student talent.

We award industry-specific prizes that kickstart professional careers.

SUBMISSIONS REMINDER

Submissions close at midnight

on 22nd November. To submit your short go to watersprite.org.uk/submissions and log on. For more information head online or contact submissions@watersprite.org.uk

COME TO THE FESTIVAL

Shortlisted filmmakers are given a travel bursary to attend the Watersprite Festival weekend. We run workshops, discussions and interviews with award-winning filmmakers, as well as one-on-one sessions on film pitching and script treatments. The events take place in Cambridge and we look forward to seeing you there!

JUDGE OUR FILMS

Do you know your Spielberg from your Soderberg? Do you have a passion for film?

Watersprite invites you to judge this year's entries!

We're looking for students from around the world to judge this year's student filmmaking talent and help shape the future of film.

We'll send you a package of several short films in December, as well as a 'how-to' guide showing you what to look out for and how to rate the films. Your film package will last no longer than two hours, and you'll have a week to watch and judge the films online, whenever and wherever you like.

To apply please email submissions@watersprite.org.uk with the words ONLINE JUDGE in the subject line. Early applicants will have priority!

2016 FESTIVAL 4TH – 6TH MARCH
